

Interesting Insects Day Camp Record Book

Name _____ Age (as of Sept 1st) _____

4-H Club _____

Record books are due to the Extension Office on July 15th by 1PM. Record Books count for one-third of your score for the contest.

You can earn up to 110 points (see enclosed score sheet for details)

This project was funded by the UF/IFAS Department of Entomology and Nematology through an Integrated Pest Management Grant.

About this Record Book...

Activities Required for Completing this Record Book:

Day Camp Activities:

- Learn what an insect is
- Learn about insect life cycles
- Learn how to classify insects
- Learn how to identify insects using a key
- Learn how to make a kill jar for collecting insects
- Learn how to use an insect net to collect insects
- Learn how to pin and label insects
- Learn about beneficial insects
- Learn about Integrated Pest Management to control insects
- Learn about the Interesting Insects Contest

At Home Activities:

- Make sure you fill in all the tables and charts in this book.
- You will need to write a short essay, called your 4-H Story, which tells what you learned, who helped you, what you liked or disliked about this project, and what you would do differently next time.
- Include a scrapbook page about your project. Show photos of the things you made and what you did. Make sure to include a caption for each photo.

Club or County Activity

- Give a club or county events demonstration about something that you learned at this day camp.

Optional Activity-

- Display your insect collection at the Jackson County Fair or North Florida Fair.

Record books will be due July 15th for judging; insect collections will be judged July 22nd, with the awards ceremony following.
